ABRAMORAMA

*"A film that brings our peril into focus and what we might learn from despair."
Alice Walker, author and activist*

*"If you care about justice you must see this."
Kumi Naidoo, Former Director at Greenpeace International*

*"Klein and Lewis paint a picture of a post-fossil-fueled, post-capitalist future that seems not only within reach, but like a place where we actually want to live"
YES Magazine*

*"The realization that a solution is possible, well, that changes everything"
Globe & Mail*

*"Klein and those impassioned protesters provide something that has been in short supply in the predecessors — namely, a modicum of hope for the future"
LA Times*

*"Genuinely moving"
Entertainment Weekly*

This Changes Everything

is an epic attempt to re-imagine the vast challenge of climate change.

Directed by Avi Lewis, and inspired by Naomi Klein's international non-fiction bestseller *This Changes Everything*, the film presents seven powerful portraits of communities on the front lines, from Montana's Powder River Basin to the Alberta Tar Sands, from the coast of South India to Beijing and beyond.

April 3, 2016
